#### **SECTION 5. Transfers and Assignments.**

A. Franchisee shall not sell, transfer, assign, lease, hypothecate, place in trust, or change the control of the franchise or any part thereof (each of which is hereinafter referred to as an "assignment"), to any other person or entity ("transferee") except as provided herein, without the prior written consent of the CEO, and after the proposed transferee's payment of a transfer fee as detailed in subsection 5.G. As used in this section, "transfer" includes stock transfer and "control" includes actual working control in whatever manner exercised.

B. Franchisee shall give notice to the CEO of any pending assignment, except as excluded in subsection 5.E, and shall provide all documents requested by the CEO, as set forth in subsection 5.F, on which the assignment is predicated. Consent

from the CEO shall be subject to the provisions of subsection 5.D, and shall be conditioned upon the consummation of the assignment on the terms and conditions set forth in the assignment documents delivered to County, the assumption by the transferee, as applicable, of all the Franchisee's covenants and obligations under the franchise, and all information provided CEO under subsection 5.F, below, being true and correct as of the time of the consummation of the assignment. Upon receipt of such consent from the CEO, Franchisee may proceed to consummate the assignment.

C. Franchisee shall file with the CEO within thirty (30) days after the effective date of any such assignment, a certified copy of the duly executed instrument(s) which officially evidences such assignment. If such duly executed instrument(s) is not filed with the CEO within thirty (30) days after the effective date of such assignment, or if the conditions to consent by the CEO have not been met, then upon expiration of said thirty (30) days, the CEO may notify the Franchisee and the proposed transferee that the assignment is not approved by the County. The CEO may then administratively determine that the assignment has no force or effect or that the franchise is forfeited and the Board may repeal this franchise.

D. As a condition to the granting of consent to such assignment, the Board may impose such additional terms and conditions upon this franchise, and upon the proposed transferee which the CEO recommends or the Board deems to be in the public interest. Such additional terms and conditions shall be expressed by ordinance. Nothing contained herein shall be construed to grant Franchisee the right to complete

an assignment except in the manner aforesaid. This section applies to any assignment, whether by operation of law, by voluntary act of the Franchisee, or otherwise.

E. Notwithstanding the foregoing, shareholders, partners, and/or any other person or entity owning an interest in Franchisee may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, divestment, or other change is effected in such a way as to give control of, or a twenty-five percent (25%) or more interest in, Franchisee, to any person or persons, corporation, partnership, or legal entity other than the person or entity with the controlling interest in the Franchisee on the effective date of the franchise or the effective date of the last approved assignment, consent thereof shall be required as otherwise provided in this Section 5.

F. Upon notice by Franchisee of any pending assignment, the proposed transferee shall submit an assignment application to the CEO, which shall contain, at a minimum:

1. Identification of the proposed transferee which indicates the corporate or business entity organization, including the submission of copies of the corporate or business formation papers (e.g., articles of incorporation and by-laws, limited partnership agreements, operating agreements), and the names and addresses of any parent or subsidiary of the proposed transferee(s), or any other business entity owning or controlling the proposed transferee in part or in whole;

2. A current financial statement, which has been audited by a certified public accountant demonstrating conclusively to the satisfaction of the CEO that the

proposed transferee has all the financial resources necessary to carry out all of the terms and conditions of the franchise. The financial statement shall include a balance sheet, profit and loss statement for at least the three (3) most recent years, and a statement of changes in financial position; however, if the proposed transferee has been in existence for less than three (3) years, then for such period of existence;

3. A copy of the proposed agreement of sale, letter of understanding, or other documentation which details the pending assignment ("assignment documents"); and

4. Other information which may be required by the CEO to assess the capability of the proposed transferee to operate and maintain the franchise.

G. The proposed transferee's payment of the transfer fee shall be submitted with the Franchisee's request for the County's consent to any assignment described in subsection 5.A and shall be determined as follows:

1. Consent to assignment or any other action, in which the County does not elect to modify the franchise by adoption of an amending ordinance: two thousand five hundred dollars (\$2,500).

2. Consent to assignment or any other action, in which the County elects to modify the franchise by adoption of an amending ordinance: five thousand dollars (\$5,000).

3. In the event County's actual costs to process the proposed assignment application, including any consultant's fees incurred by the County to assist in evaluating the application, exceed the fees detailed above, the proposed transferee

may be required to pay any additional costs incurred by the County in processing the Franchisee and/or proposed transferee's request for assignment. Such costs shall be paid by the proposed transferee prior to final consideration of the request by the CEO or the Board, as applicable.

**SECTION 6. Relocation of Pipelines.**

In the event the Franchisee receives notice to relocate its pipelines and appurtenances pursuant to Section 16.52.290 of the County Code, in addition to all obligations of Franchisee and rights of the County under Sections 16.38.450 and 16.52.290 of the County Code, if Franchisee neglects or fails to relocate its facilities in a timely manner after receipt of any such notice, Franchisee shall be responsible for, and shall reimburse the County, city, or other applicable public entity, for any and all additional costs or expenses incurred by the County, city, or other applicable public entity due to, or resulting from, such delay in relocation of the facilities.

**SECTION 7. Pipeline Franchise Ordinance.**

**Pipeline Franchise Ordinance.**

In addition to the terms and conditions stated herein, and except as expressly excluded herein, this franchise is granted under all of the terms and conditions contained in the County Pipeline Franchise Ordinance, Title 16, Division 3A, of the Los Angeles County Code, as codified in 1978 and amended to date, which is incorporated herein by reference, as it may hereafter be amended. In the event the terms and conditions of this franchise conflict with the terms of the County Pipeline Franchise Ordinance, the terms and conditions hereof shall control.
